

9-16-2014

Hi ECA,

Here's what you need to know --

Annual Meeting Oct 21
Edgemoor 5K -- Not this year
Fall Tree Planting
New Links on the ECA Website

Judy Gilbert Levey
ECA President

Annual Meeting Oct 21

Our Annual Meeting date is set for October 21, 7:30 pm at the Edgemoor Club. Mark Brown from WSSC will be joining us to answer questions! We will also be recognizing the many years of service by board members Julie Doll and Ken Levinson, who will be resigning from the board. As per the ECA bylaws, the Board of Directors will be appointing new board members to fill their unexpired terms and serve through October 2015.

Edgemoor 5K -- Not this year!

I'm sorry to tell you all that the Edgemoor 5K Classic -- a 17 year Edgemoor tradition and fundraiser for Bethesda Elementary and the Friends of the Library, Bethesda -- is going to take a break this year. Race organizers Alysa Emden and Julie Doll note that the construction at Bethesda Elementary and the condition of our roads would make the race hazardous to participants. The race proceeds from last year have been set aside for BE to help restore the landscape once construction is done; the Friends of the Library would welcome any support this year and you can contact Sarah Fleischer at sepf@aol.com if you'd like to make a donation to support Bethesda Library.

Fall Tree Planting

This week we are finalizing the list of street trees to be planted by the ECA in our neighborhood. If you'd like a tree planted in the county right-of-way in front of your home, please let me know (if you've already contacted me, you are on the list, no need to email again). We will be planting county-approved trees (smaller trees under power lines, larger trees where there's open sky) and planting in accordance with county guidelines regarding proximity to driveways, intersections, etc. We can't plant where there's a stump and at this point don't have funds for more stump removals, so if you have a stump to be removed, that may be a project for the future.

New Links on Our Website

We've updated the ECA Website, thanks to webmaster Barbra Stoddard, to include links for Montgomery County Gov't's online reporting of street lights that are out, pothole/road repair, and permitting services. You can check out edgemoorcitizens.org for these "helpful links" and other neighborhood news.
